

Application form for plant protection products, beneficial organisms and related products

1. Details about the applicant and product name

Applicant company:	
Date of application:	
Product name: (the product will be listed under this name with EASY-CERT services)	
BAES registration number:	
Other trade names:	
Is this product already listed with the European Input List?	If yes, please specify trade name:

2. The product is a...

<input type="checkbox"/> Self-manufactured product (i.e. the applicant company is the manufacturer of the product)	
<input type="checkbox"/> Trade product (i.e. the applicant company is the distributor/ retailer of the product)	The manufacturer of the product is:

3. For which sector should the product be listed? (both sectors are possible!)

For products subject to authorisation/registration, a corresponding authorisation/registration for home and allotment gardens is required for listing for the "biologisch gärtnern" quality label.

☐ **Listing for the catalogue for organic inputs**
incl. online product search **ORGANIC INPUTS / PROFESSIONAL SECTOR**

☐ **Listing for the quality label „biologisch gärtnern“** (organic gardening)
incl. online product search **BIOLOGISCH GÄRTNERN / HOBBY SECTOR**

Link to the product:
(homepage, online shop)

--

4. Product type

- ☐ Plant protection
☐ Adjuvant
☐ Basic substance
☐ Other

5. Area of application: Which category does the product belong to?

(Please specify only one category!)

☐ Fungicides and other plant disease control products

☐ Insecticides and acaricides

☐ Molluscicides

☐ Trapping systems and pheromones (mating disruption)

☐ Microorganisms

☐ Products for seed treatment

☐ Germination/sprouting inhibitors

☐ Basic substances

☐ Beneficial organisms

☐ Spreaders, stickers and adjuvants

☐ Wound sealants

☐ Trunk paints, white paints for trees

☐ Adhesives for application on trunks

☐ Repellents

☐ Protection of stored products (biocides)

☐ Other:

6. General product details
Application type:
☐ foliar

☐ soil

☐ seeds / seedlings

Product characteristics:
☐ solid

☐ liquid

Active ingredient:
Active ingredient content:
Package size(s):

7. Product composition

- Please provide the **full composition** of the product **with all components** (i.e. including **co-formulants/additives**). The total percentage of all components must add up to 100%.
- A product data sheet and safety data sheet must be provided for formulated components.
- Instead of completing the table below, you can also submit an existing table from the official authorisation/registration dossier for plant protection products.

Component name	CAS number / strain ID	Percentage (%)	Function in the product	Manufacturer / supplier	Comments / manufacturing information
		%			
		%			
		%			
		%			
		%

		%			
		%			
Total		%	The total of the percentages must add up to 100%!		

8. Further mandatory information: Does the product or any of its components contain the following substances/materials?

	No	Yes	Further details
Preservatives, chelating agents or complexing agents; other formulation aids	<input type="checkbox"/>	<input type="checkbox"/>	Please list these under point 7.
Materials that are or contain substances listed in Annex III of Regulation (EC) No. 2021/383	<input type="checkbox"/>	<input type="checkbox"/>	-
PFAS (per- and polyfluoroalkyl substances)?	<input type="checkbox"/>	<input type="checkbox"/>	-
Synthetic nitrogen compounds	<input type="checkbox"/>	<input type="checkbox"/>	-
Processing aids (please also specify if these are no longer contained in the final product)	<input type="checkbox"/>	<input type="checkbox"/>	-
Synthetic nanoparticles (50% or more of the particles are in particle sizes between 1 nm and 100 nm)	<input type="checkbox"/>	<input type="checkbox"/>	-
Genetically modified organisms (GMOs) or components produced using genetically modified organisms? ¹	<input type="checkbox"/>	<input type="checkbox"/>	If so, please enclose the form " Declaration of compliance with the prohibition of genetically modified organisms ", relating to the entire product.
Microorganisms	<input type="checkbox"/>	<input type="checkbox"/>	Please list these under point 7 (precise name of the strain).
Materials originating from the aquatic environment (laminarin and chitosan hydrochloride)	<input type="checkbox"/>	<input type="checkbox"/>	If so, please enclose a sustainability declaration for the component.

9. Documents that must be enclosed with the application

All documents enclosed must be labelled in such a way that their content is clearly evident from the document name (e.g. **Product_name_GMO_declaration.pdf**, **Product_name_manufacturing_process.pdf**).

☐ **Labels** including recommendations for use

☐ **Product formulation (excerpt from the authorisation/registration dossier)** as an alternative to the table under point 7

☐ **Description of the manufacturing process**

☐ **Safety data sheet** for the product

☐ **Technical data sheet** for the product

☐ **Safety data sheets** for formulated components / co-formulants / additives

☐ **Other documents:**

¹ Potential genetically modified organisms such as corn, rapeseed, soy, sugar beet, sugar cane, microorganisms, fermentation products, vinasse, etc.

10. Confirmations

☐ I confirm that all components of the product (including co-formulants/additives) have been listed in the table in Section 7 (Product composition) or have been disclosed in full in the excerpt from the authorisation/registration dossier.

☐ I confirm that the product may be placed on the market in Austria and that the official requirements for this have been met.

☐ I undertake to notify EASY-CERT Services Betriebsmittelbewertung of any changes to the product composition and manufacturing process, as well as any changes to the status of authorisation/registration or the authorised indications.

☐ I confirm that all information provided in this form and the enclosed documents is correct and complete.

Despite careful processing, all information in the catalogue for organic inputs, in the online product search and on the product confirmations is provided without guarantee. EASY-CERT services Betriebsmittelbewertung excludes any liability.
