

Application form for cleaning, disinfection, hygiene and care products

Listing for the online product search

1. Details of the applicant and product name

Applicant company:

Date of application:

Product name:

(the product will be listed under this name with EASY-CERT services)

Other trade names:

Is the product already listed with a FiBL organisation?

☐ yes

☐ no

☐ not known

If so, please specify trade name:

2. The product is a...

☐ **Self-manufactured product** (i.e. the applicant company is the manufacturer of the product)

☐ **Trade product**

(i.e. the applicant company is the distributor/
retailer of the product)

The manufacturer of the product is:

3. General product details

Active ingredient:

Active ingredient content:

4. The product is a...

Biocide

☐ yes

☐ no

If so, provide details of the authorisation/registration:

Authorisation/registration number:

5. Product type

- ☐ **Buildings and installations for livestock production (including cleaning of equipment / machinery)**

Milking equipment:

- ☐ Acidic agents
☐ Alkaline agents
☐ Other agents

Udder hygiene:

- ☐ Dipping agents
☐ Udder care
☐ Udder cleaning

Stable hygiene:

- ☐ Bedding materials
☐ Products for treating bedding materials
☐ Products based on microorganisms

Animal care products:

- ☐ Animal care
☐ Claw care

Aquaculture:

- ☐ Use in the presence or absence of animals
☐ Use in the absence of animals

- ☐ **Plant production**

- ☐ **Food processing**

If the product type is food processing, please specify industry:

6. Product composition

- Please provide the **full composition of the product with all components** (i.e. including **co-formulants/additives**). The total percentage must add up to 100%.
- A product data sheet and safety data sheet must be provided for formulated components.

Component name	CAS number	Percentage (%)	Function in the product	H statements	Comments
		%			
		%			
		%
